Thank you for helping SKDC improve its recycling.

The Council will NOT be able to take additional material, known as side waste, (such as general waste, green waste or recycling) placed next to the bin whether in bags or not.

Side waste will need to be disposed of at your nearest Household Waste Recycling Centre. Details:
www.lincolnshire.gov.uk/recycling-waste

Separating your paper and card will enable us to reduce contamination to improve the quality of the recycling we collect so that more of it is actually recycled.

Did you know that SKDC operates a collection service for bulky domestic – and electrical items?

If someone takes your waste without the relevant licences it may end up fly-tipped and you could receive a £400 fine or face prosecution.

Suspect all waste carriers. These should be business-approved by the Environment Agency to carry and dispose of waste. You can check their registration details by calling 03708 506 506 or online at <https://environment.data.gov.uk/public-register>

Please follow our recycling guidelines for Lincolnshire rather than the recycling symbols on packaging

Section 46 notice - LEGAL NOTICE – In accordance with the Environmental Protection Act 1990, Section 46, South Kesteven District Council gives notice that from February 5th 2024 you must not put paper and card into your mixed dry recycling (Silver) bin. All waste must be presented inside the appropriate bin for collection. Failure to do so may result in your bin not being collected and/or other enforcement action.
